THE ROP SPRING SEMESTER

Seniors and Juniors!!!! The ROP Spring Semester schedules have just arrived and included are several new classes and some favorites that we haven't offered for a while. Come by the ROP office or look in the counseling lobby area for the schedules. Sign up for culinary, taught by a former White House chef, computer animation at ITT Tech, or nurse assistant, just to name a few. Remember space is limited so hurry in for the best selection.

ID CARDS

It is a District requirement that students must have their ID cards with them every day at school and at any school activity. ID cards are the property of the District. Therefore, it is important that you insure your ID card is in your possession every day that you attend school or a school activity--regardless of the location of the school activity. If asked for by any district employee, you must relinquish the ID card to that employee. If you are not sure if the person is an employee, ask in a respectful manner for their name and position at the school or district, but do not refuse to relinquish the ID card to the employee.
