

Anime Club Contract

1. No leaving food, drink, or trash items within the classroom at any time. Eating in club is a privilege, not a right, which can, and will, be taken away if it is not followed.

2. No loud talking while watching anime. If you must talk, please do so outside anytime during club, or any off club days. There will possibly be some designated days that we will have to just talk about anime.

3. No horsing around in the classroom, especially enactments seen on the television, samurai or any other weapon wielding warrior.

4. Harming anyone around you, and anything else - even one person - is seen as disruptive or dangerous.

5. You must not be in debt for admittance fees more than three (3) dollars. There is a prepay system available to keep from this happening; speak with the president for more information. We will always warn you when the debt, or prepay system, is coming to a close in advance.

6. If you are renting any manga, DVD, comic, or Anime Club-owned item, you must check it out with the president and it must be brought back in the same condition as it was in during the check out period. Any damage can result in the buying of a new one at the renter's expense. Time periods vary; make sure you know when it is wanted back when you check the item out.

7. No profanity of any kind.

8. Harassment and discrimination of any kind is not tolerated.

9. Do not talk about politics in club. This is a club dedicated to anime, not politics.

These rules may change in time. Any changes in the rules will be announced during a club day to make sure there are no discrepancies at any time.

I, _____, promise to follow all rules and regulations set by the Anime Club at risk of the proper punishment. This will depend on the severity of such an action; suspension of attending club will most likely be used, and expulsion of club indefinitely can occur.
