

VALENCIA HIGH SCHOOL BAND AND FLAG BOOSTERS

SEES CANDY FUNDRAISER

Our September Fundraiser will be Sees candy bars. The candy will be available on Friday September 12th from Lynne Snead in class. The cost of the bars have gone up to \$36.00 per box, each bar sells for \$1.50 giving each student a profit of \$18.00 per box toward their individual fundraising commitment.

Due to our fundraising collection problems from last year we are requesting that the boxes be paid for in advance with the order form. If you are unable to pay for them in advance a parent must sign the attached order form and provide a phone number for verification.

Once the original distribution is complete students will only be able to check out additional boxes once the first boxes are paid for and an additional request form is completed.

If you have any questions please contact Lynne Snead at 254-7922 or Terri Wiesmann at 257-4189.

Thank you for your support.
