To whom it may concern:

Thank you for interest in supporting our school. We often receive inquiries about our nonprofit status. Please accept this letter as certification that Valencia High School ASB qualifies as a not-for-profit organization. We are a state educational institution, which is considered a political subdivision of the State of California. Because of this, we are considered a nonprofit state entity rather than a private 501(c) (3) nonprofit organization. Donations and private grants made to our schools are tax-deductible under these statutes.

If you have further questions, please feel free to contact me at (661) 294-1188 x 430

Sincerely,
