The A.S.B. is providing an opportunity for students to purchase their Luau and Homecoming dance tickets in a special discount package. *Tickets are non refundable.*

#### **Disaster Preparedness Supplies Donation**

Valencia High School is known in the District and in the city as the school with the model disaster preparedness status. However, even VHS is not where it needs to be to respond to a disaster. Each year parents are solicited to donate to the Disaster Preparedness Trust, which supports the acquisition of the needed materials and equipment necessary to survive after a major or great earthquake. Medical, search and rescue, security, sanitary, food, and training equipment are needed at VHS to prepare to respond to an eventual disaster. A donation of any amount is

greatly appreciated. However, we ask that you consider an annual donation of a minimum of \$5 for each family member who attends VHS.

### **Lockers and P.E. and Athletic Locks**

Lockers are available to juniors, sophomores, and freshmen primarily during the first week of school. Due to limited space, students will have to share lockers. (Two students per locker) VHS will supply students with a hall lock, but a “hall locker” fee will be charged if interested in reserving a hall locker. Students must purchase a school issued lock in order to use P.E. and Athletic lockers. Students will be able to reuse their P.E. locks each year, so this is a one-time purchase. *Seniors will not be issued hall lockers.*

*(Please write a separate check for P.A.C.*

*Membership – Payable to Valencia P.A.C.)*

The Parent Advisory Council (PAC) is the school-wide Parent Booster Organization that serves the entire community of students, parents and staff of Valencia High School.
